Seungoh Chung <seungohc@gmail.com>  
Sorry, but I'm not an expert on any of these topics and don't have time to read your essays. Please get a copy of my former student's book, Seungoh Paul Chung, God at the Crossroads of Worldviews from Notre Dame Press, 2016, for the most intelligent and up to date evaluation of the five ways. Or contact Seungoh himself. I copied this email to him so you would have an accurate email address for him.
