Dear Dr Roemer, thanks for your email and phone call. But I am not a philosopher, nor an expert on the cosmological argument, nor involved with the SEP, so I am not the person to consult or draw into this debate. Fr Clooney

Responded and suggested New Oxford Review
Dear Fr. Clooney,
Thanks for the tip. If the Review of Metaphysics doesn't work with me about the article, I'll ask to give a seminar at the Catholic University and submit the article to the New Oxford Review.

It is a pity the Church is suppressing my slideshow about the Shroud of Turin. I can understand the dilemma. Telling the obvious truth that the Holy Shroud is a fake will scandalize many Catholics. On the other hand, telling about the Shroud without emphasizing that it is a work of human ingenuity will scandalize intelligent Catholics.
