Notes Dear Victor,

It is not spam because you are affiliated with the Nordic Institute of Theoretical Physics. I expect you to read "Pseudoscience in the American Journal of Physics" (<http://www.pseudoscience123.com>).

https://www.academia.edu/20939526/An_Analogy_Between_Nazi_Germany_and_the_United_States

and take the appropriate action. I keep track of all my correspondence with physicists and publish it on the internet.
