Dear Dr. Manning,

I submitted the attached article ("An Analogy Between Nazi Germany and the United States") to Perspectives on History. It was rejected, but the editors or editor did not handle the matter in an reasonable manner, as you can see from the attached pdf file.

What the American Historical Association should do is show the article to the American Journal of Physics or Yvette Clarke (D-NY). Ms. Clarke is my congressman, and I have communicated with her about this scandal. I posted the article on my website at:
