Dear Marcelo,
My goal is to get the Catholic Church to stop supporting the Magis Center for Science, which is run by Robert Spitzer, SJ. I live in New York and want to explain to a group of theologians, in a give-and-take session, the harm that the Magis Center is doing.

Fr. Spitzer is refusing to discuss the matter with me. His secretary told me he is too busy to discuss "matters of opinion."

Dear Roemer,

Very interesting questions: what I can do for you?

Yours sincerely, Marcelo Sánchez Sorondo
