Hi David,
Thanks for the note and the inquiry. I'm surely no specialist on the Five Ways. If you want to get a critical reply I recommend emailing Edward Feser (author of the recent introduction Aquinas: Beginners Guide). I say that not to pass the buck but to give you a chance for more "expert" feedback.

However, if you are interested in my feedback as a competent but non-expert student of Aquinas, let me know. What exactly do you want me to sort out?

Best, Patrick
