Re: YA10029
Metaphysics of quantum mechanics
by David Roemer

Dear Dr. Roemer,
Your manuscript has been considered. We regret to inform you that we have concluded that it is not suitable for publication in Physical Review Special Topics-Physics Education Research. This journal publishes articles about research on the teaching and learning of physics. Should you do this type of work in the future, we would be happy to consider a paper on the subject.
Yours sincerely, Charles Henderson
